

FISCAL NOTE

SB 3172 - HB 3284

February 26, 2004

SUMMARY OF BILL: Exempts "telecommunications contractors" from being licensed as an alarm systems contractor if they derive less than 50% of their gross annual revenues from providing alarm systems services.

ESTIMATED FISCAL IMPACT:

State Expenditures - Net Impact - Not Significant
Decrease State Revenues - Less than \$10,000

Assumes any increase in state expenditures to implement and monitor the provisions of this bill, including determining who meets the requirements for exemption from licensure, will be offset by any decrease in state expenditures associated with issuance of licenses.

Assumes that less than approximately 10% of current licensees would be exempt from licensure under the provisions of this bill.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "James W. White". The signature is fluid and cursive, with the first name "James" written in a smaller, more compact script than the last name "White".

James W. White, Executive Director
